Activities and hobbies

Sports:
I used to go **horseback riding** when I was young, the connection with the nature and animals is crucial for me.
I also practiced **Judo** and **Muay-Thai** during many years. Martial arts are an extraordinary means to develop one's mental strength and be humble.
I do almost everyday sport: **Fitness** or **Crossfit** to stay balanced and focus.

Interests:
I use all my free time to improve and develop some strategies for my different **investment** accounts (stocks, futures, crypto).
I also developed a website to present my portfolio and some **tools** and **algorithms**, don't hesitate to check it: wwww.jfbl.me
Finally, **physiology**, **nutrition** and **meditation** are more and more important in my life.
